

FREEDOM ARM®

Stylish & Functional Articulating Monitor Arm

The Freedom Arm easily mounts to any standard desk, creating a clutter-free workspace.

This stylish and functional articulating monitor arm is simple to assemble and allows the user to utilize their entire workspace with 360-degree rotation, 190-degree panning, a tilt up of 90 degrees, and a tilt down of 45 degrees. Including an integrated cable management system and three mounting positions, the Freedom Arm gives you the ability to fully customize your monitor placement while barely moving a muscle.
