FOLDING ALUMINUM TABLET DESK STAND

**"BEST IPAD® DESKTOP ACCESSORY YET"**

According to CNet's VersaStand Review 2013

**"VERSASTAND ELEVATES YOUR IPAD®"**

According to Technology Tell's VersaStand Review 2013

## VersaStand for iPad®

The patented VersaStand iPad® Desk Stand is a one-of-a-kind folding aluminum tablet desk stand currently compatible with the iPad® 2, 3 and 4.

The VersaStand comes complete with a rubberized hard case (Smart Cover compatible) and attaches directly to the included desk stand. Industrial strength aluminum allows VersaStand to remain lightweight but high-quality for constant performance and usage.

The ability for VersaStand to fold almost flat allows for easy transport while traveling. Perfect for watching movies, surfing the web, video chatting and so much more.

The VersaStand comes with a 1 Year Warranty.

**Model#: FDM-IPAD-VSDS**

## Universal Tablet VersaStand

Now anyone with a tablet can enjoy the VersaStand Desk Stand with our new universal tablet version!

The Universal VersaStand comes complete with a universal tablet mount that attaches directly to the included desk stand.

Industrial strength aluminum allows VersaStand to remain lightweight but high-quality for constant performance and usage.

Perfect for watching movies, surfing the web, video chatting and so much more.

The VersaStand comes with a 1 Year Warranty.

**Connecting your tablet to the VersaStand Desk Stand is as easy as 2 simple steps:**

1. Simply place your tablet into the included rubberized hard case or universal tablet mount
2. Snap it into the desk stand!

Watch how easily your tablet will become the most versatile gadget you own as it transforms the way you communicate and surf the web on a daily basis!

Why not use your tablet as a second monitor while at work? Or set it up on your desk for easy Facetime™ or Skype™!

*The possibilities are endless!*

The VersaStand Desk Stands folds to a little over 1" thick for easy travel. Just toss in your bag, and off you go!
