## STACKING CHAIRS

AVAILABLE

MEDIUM TO HIGH DENSITY

CONFERENCE, MEETING, WAITING ROOM AND GENERAL USE

DESIGN

The affordable High-density Stacking (ST) and Stackable Guest (SG) collections have been designed with a particular emphasis on convenience, comfort and durability. With compound-curved backrests that offer continuous support to users and with a lightweight but durable design, these chairs are easy to store and even easier to use.

ST400  
STACKS UP TO 25 HIGH ON STDLY4 DOLLY

ST400F  
SHOWN WITH SR-40 ARMS AND IN 3V58 SHREK

**SR-40**  
For ST400 and ST400F chairs.  
Increases overall width of chairs to 24".

**Self-Leveling Glide**  
For all surfaces.  
Automatically adjusts.

**ST-GANG**  
Option for all ST chairs.  
One pair gangs two chairs.

**OPTIONAL FEATURES AND OPTIONS FOR SG AND/OR ST SERIES SEATING**

Self-leveling glides are standard features on most SG series stacking chairs; SG2K chairs are an exception and feature a combination of glides (front) and casters (rear).

SR-40 arms are only available options for ST400 and ST400F chairs.

ST-GANG ganging glides are sold in pairs and used to gang two ST series chairs together.

**UPHOLSTERY FOR SG AND ST SERIES SEATING**

Where applicable, seat and/or back cushions are available in a variety of Office Master Standard, Grade-in and COM/COL fabrics. Please reference the Office Master price list for procedures and important details concerning Grade-in and COM/COL fabric specification.

FOUNDED IN 1986, we have grown from a small facility in San Diego to an experienced, established company dedicated to meeting the long-term office seating needs of large and small businesses, and everything from hospitals to laboratories. From day one, our vision and philosophy have remained the same: **To provide only the best-value ergonomic office chairs. It is our core competency and it is all we do.**

## LIMITED WARRANTY

The manufacture of Office Master office furniture is conducted under the highest industry standards with careful attention to detail and individual inspection of each and every unit.

All chair frames, including metal, gas cylinders, wood and plastic parts, and control handles are guaranteed against structural failure for 7-year or 12-year warranties under normal commercial use and to the first purchaser. Casters and Office Master in-stock upholstery items have a 2-year commercial use warranty. COM/COL and graded-in fabrics are not covered under Office Master warranties. Standard commercial use is defined as the proper usage for one single shift, a total of 40 hours or less per week and by persons weighing 250 lbs. or less, unless otherwise specified by Office Master.

Should any item fail, please return product to the Dealer from whom it was purchased. The Dealer will send the defective part to the Manufacturer, freight prepaid. The Manufacturer will repair or replace the defective part and return it to the Dealer, freight prepaid. Please request written authorization for returning defective parts to Manufacturer. Returned defective parts will NOT be accepted without prior written authorization. This warranty does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, flood, or act of God.
