

Advantage-Dual

Adjustable Keyboards - Preconfigured Systems

Dual swivel out platforms immediately accommodate left or right-handed mousing

Pinnacle 2 Arm provides -15° to +10° tilt

Includes tilt indicator gauge for accurate tilt adjustment

Ergonomically designed knob provides easy tilt adjustment

Dual Swivel-Out Platforms for Maximum Comfort

Dual mouse platforms enable users to alternate mouse positions, reducing muscle strain. The efficient design of the mouse platforms reduce the incidence of lifting and repositioning the mouse, a factor in repetitive stress injuries.

Adjustability

Equipped with a Pinnacle 2™ Value adjustable keyboard arm with:

- No-knob, no-lever height adjustment
- Dual adjustable lift-assist springs provide optimal balance and smooth movement

Adaptable

The 1/4" Ultra-Thin™ phenolic platform minimizes the distance between the forearm and thigh, providing a greater range of ergonomic fit. The Advantage-Dual keyboard platform also features the Optimizer™ with built-in document holder and cord manager.

Functional

The Advantage-Dual System is adaptable to fit virtually all workstation shape and size requirements.

Durability

The Advantage-Dual System meets or exceeds the ANSI/BIFMA standards for performance, durability, and cycle testing, and is backed by Workrite's Limited Lifetime Warranty.

At Workrite we believe every body has a right to work comfortably and safely for maximum productivity. You can trust Workrite, as 75% of Fortune 100 companies have, for solutions that fit today's diverse range of workers.

Advantage-Dual Adjustable Keyboards - Preconfigured Systems

This keyboard system features our versatile platform with dual swivel-out mouse platforms packaged with our popular 22" Pinnacle 2 Value Arm.

Keyboard Platform features:

- Model UB-2110D-25 platform
- Dual swivel-out mouse platforms store under keyboard when not in use
- Accommodates left and right-handed mousing
- Mouse-trap keeps mouse in place
- Mouse platforms slide to adjust to Mouse-Forward™ position for improved comfort
- All Ultra-Thin Platforms include the Optimizer with built-in document holder and integrated cord management
- Removable LeatheRite palm support

Keyboard Arm features:

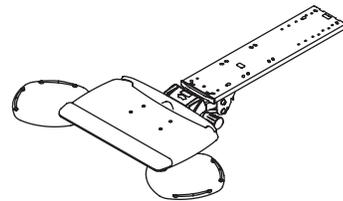

- Pinnacle 2 Value Arm with 17" or 22" nylon glide track
- Height range: flush to 6" below the worksurface
- Tilt range: -15° to +10°
- 360° swivel-easy positioning and storage
- No-knob, no-lever Lift-N-Lock
- Maximum knee clearance

LEED Eligibility

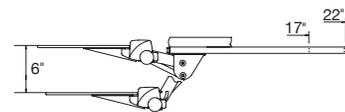

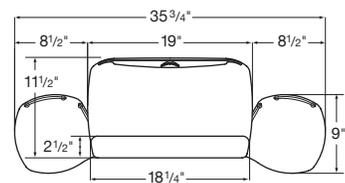

- All Advantage-Dual Systems exceed LEED requirement MR4.2 (20% recycled content) and may be eligible for up to 2 points.
- Ultra-Thin platform surface made from GREENGUARD® certified materials
