Warranty	Limited lifetime against manufacturing defects on materials and workmanship

Shown with optional accessories (sold separately)

Zido Pole Cart provides a strong, tall, single column to support all the accessories you need.

At 66" (167.64 cm) tall, Zido Pole Cart is drilled at 1" (2.54 cm) increments on the column for easy accessory installation. Heavy metal cast base provides needed support in a small footprint. Overall weight capacity is 150 lbs. (68.04 kg). Large 4" (10.16 cm) casters (2 locking) take your cart and equipment where you need it.

The column has holes in 1" (2.54 cm) increments to install accessories at the right height

Heavy cast metal base provides a stable foundation in a compact footprint

Add a handle (sold separately. PN: ZHHCG) to easily steer your Zido Pole Cart where you need it

A Single Monitor Mount (sold separately. PN: ZOMSCG) will support any monitor up to 40 lbs. (18.14 kg)

The 30-year legacy of Anthro Corporation lives on in its world-class factory, flexible award-winning designs, and market-leading personal customer service. When you see Anthro-DNA, it signifies quality manufacturing and technology leadership.
