

# ERGOTRON®

## Tablet Management

### Highlights

- Universal design accommodates Apple iOS, Samsung Galaxy, Google Nexus, Amazon Kindle and other USB chargeable devices
- Carts charge, sync, secure and transport up to 32 or 48 tablets; desktop versions support up to 16 tablets
- Full 2.1A charging power; the amperage automatically adjusts to a device's requirements as needed
- Charge all tablets simultaneously with one power cord to the wall socket
- Switch from charge to sync mode by connecting a Macintosh® computer or PC. Charging status is visible using the optional Individual Status Indicator (ISI) LED feature
- Up to 40% smaller and lighter (unloaded) than competitive product

### Charge. Sync. Secure. Transport.

The universal design of our tablet management carts supports Apple iOS, Samsung Galaxy, Google Nexus, Amazon Kindle and other USB chargeable devices—providing full 2.1A charging power. Compact and lightweight, carts are easily maneuvered, and locking steel doors keep devices safe and secure.

Ergotron tablet management solutions are ideal for any environment with multiple tablet users, from education and healthcare to businesses of all types.

## Universal Design

- Charge, sync and secure up to 16, 32 or 48 USB chargeable devices.
- Compatible with Apple iOS, Samsung Galaxy, Amazon Kindle, Google Nexus and other USB chargeable devices
- Full 2.1A charging power; use USB cables that come with device
- Universal design provides flexibility as technology changes
- Optional LED Individual Status Indicators (ISI) monitor charging progress of each tablet

## Super Compact Design

- Up to 40% smaller and lighter (unloaded) than competitive product
- Up to 60% more device capacity than competitive product

## Solid, Durable Construction

- Steel tube and aluminum extrusion framework; steel access doors
- Durable, easy-to-clean exterior composed of high-grade fire-retardant ABS

### Laptop Locker

An ideal accessory for our Tablet Management products, the Laptop Locker provides safe and secure storage for a laptop or other small items. Includes 6-point locking bracket. **97-829**

### Tablet Management Cable Kits for iPads

These certified USB cables for iPad® are a custom length to fit perfectly with Ergotron Tablet Management products.

Lightning to USB Cable Kit (16 pack) **97-800**  
30-pin to USB Cable Kit (16 pack) **97-766**

### Security Bracket Accessory Kit

**97-735**

## Secure Storage

- Durable steel doors with three-point lock and assembly provide strong theft deterrence
- Ventilated enclosed storage area keeps tablets safe and secure
- Optional Security Bracket accessory kit (97-735) provides ability to lock cart to floor or wall bracket for extra security when needed

## Easy Setup

- Use the device's USB cables. For Apple iOS products, choose a 97-766 or 97-800 cable kit
- Clean, neat cable management drawer located on each module. Secure drawer is separate from tablet compartment, limiting unauthorized access

## Certified for Safety

- Ergotron not only uses UL-certified components, but goes a step further to have UL certify the entire system to guarantee safe use within the classroom, healthcare or enterprise setting
- Tested and certified to UL 60950-1 and UL 1667 standards, FCC requirements and all applicable country-specific regulations

Up to **40%**
