YES40 Charging Cart for Tablets

Highlights

- **Charge, store and transport up to 40 tablet devices.**
- Mix and match all devices with or without cases: regular-sized tablets, mini-sized tablets, maybe even a smartphone or e-Reader.
- Adjust the interior to fit your devices: raise and lower the Lift-N-Set Shelves and remove/adjust the Pop-N-Go Bay Dividers to create the right bay size.
- Compact design maneuvers easily through crowded hallways and into tight spaces.
- Devices stay secure with keyed locks on each door, complete with brackets for your own padlock and a two-point locking system.
- 4" dual-wheel rubber casters, all locking, move the cart where it's needed, even over rough surfaces.

Ergotron says "YES!" to all your devices — charge and store any mix of up to 40 tablet devices, with or without cases.

With YES Carts, one size fits all tablet devices of ALL shapes and sizes! Set the cart's bay width and shelf height for your device, then reconfigure when it's time for new devices. Mix and match all devices: regular-sized tablets, mini-sized tablets, maybe even a smartphone or e-Reader! The YES Cart truly is the last cart you'll ever buy.

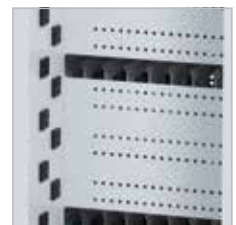

Each **Lift-N-Set Shelf** can be repositioned to create larger or smaller vertical spaces to fit your devices.

Pop-N-Go Bay Dividers are made of tough ABS polymer and can be moved to create the perfect bay width for your devices.

Mix and match devices — the interior is yours to configure.

The rear IT area contains 42 internal power outlets and 3 external power outlets.

The cable channels on top of each bay divider are easy to reach, easy to see and easy to wire.

Doors, side panels and interior panels are ventilated so that devices stay cool.

Integrated keyed locks have brackets for your own padlock.

Devices are secure with a 2-point locking system on each door.

The Comfort Edge top surface has a lip to prevent items from rolling off.

A wide ergonomic handle makes each cart easy to steer.

Four 4" rubber casters, all locking, move the cart where it's needed, even over rough surfaces.

Charge a laptop in the convenient front storage slot which measures 12.75" w x 1.75" h x 15.5" d (32.4 x 4.4 x 39.4 cm)

We say "YES!" to all your devices
