# In-Wall Mount

FOR 32" TO 71" DISPLAYS

Maximize your flat panel experience by installing the display as close to the wall as possible with Peerless-AV's universal In-Wall Mounting solution for up to 71" displays. Installation is quick and easy thanks to the mount's stud-locating tabs that fit the in-wall box snugly between 16" wood stud centers. View the flat panel display in its virtually no-profile home position, or extend the arm over 19" to watch it anywhere else within the room.

**The Peerless-AV universal In-Wall Mounting system allows your display to sit as close to the wall as possible, while also providing easy access to the rear of the display or the in-wall box.**

## Additional Features

- ✓ Installs between 16" (406mm) wood stud centers
- ✓ IM760PU models include universal adaptor plate to fit displays with mounting hole patterns up to 730 x 433mm (28.75" x 17.05")
- ✓ IM760P models include adaptor plate to fit displays with VESA® 100, 200 x 100 and 200 x 200mm mounting hole patterns or can be used with dedicated adaptor plates
- ✓ Can be inverted to position display to the right or left
- ✓ Decorative trim ring included for a clean installation
- ✓ Removable gang box and cable management access plates make installation easy

**SIMPLIFIED INSTALLATION**  
Stud locating tabs adjust 1/4" (6mm) left or right to accommodate stud spacing
