

PHLEBOTOMY CART

Carry all your phlebotomy supplies on a compact, easy-to-steer cart that takes everything you need right to your patient. Squeeze the paddle to easily adjust the cart height 30"-40" so it's comfortable for clinician and patient. Use the built-in storage for gloves, sharps containers, and more.

1

Handle The 17" wide handle makes the cart easy to steer.

2

Contoured Top The 1/2" high lip runs all the way around the cap shelf to keep vials and supplies in place.

6

Adjustable Height Set the height 30"-40" so it's comfortable for patients and clinicians.

3

Locking Drawer The 5-3/4" high drawer features a keyed lock. It's big enough to store vials and paperwork for security and privacy.

5

Storage for Gloves and Sharps
This cart has a place for everything, including a metal bin for your sharps container and a glove box holder!

4

Large Casters The 4" diameter twin-wheel casters (2 locking) travel easily over thresholds and directly to the point of care.
