

Connect with Chief's Fusion™ flat panel mounts. Video conference with any associate without the time or expenses of travel. Meet with international or out-of-state offices in the comfort of your own office or boardroom. Fusion mounts easily join together to create customized video conferencing configurations perfect for any installation; streamline video conferences via projector, or mobilize your setup with a Chief cart or stand.

FUSION SERIES MOUNTS

TAKE CONTROL OF YOUR INSTALL

- 1** **CENTERLESS™ LATERAL SHIFT**
Get up to 16" of post-installation lateral shift - 8" left/right of uprights.
- 2** **CONTROLZONE™ HEIGHT & ROLL ADJUSTMENT**
Fine-tune height and leveling after the mount is installed by inserting an Allen key into the ports located at the top of the uprights.
- 3** **CENTRIS™ LOW-PROFILE TILT**
Provides effortless tilting by using the center of gravity to balance the screen – no tools necessary!
- 4** **CLICKCONNECT™ TOOL-LESS LATCHING**
Hear an audible click when the screen safely engages with the mount. Use the built-in cable stand to gain easy access under the screen.
