

# Tolomeo®

LED Task Light  
by **Artemide**®

# A Design Icon. Reborn.

A symbol of Italian design for more than 20 years, the world-renowned Tolomeo task light has been reinvented with cutting-edge LED technology, making it as sustainable as it is timeless.

The Tolomeo task light, by Italian designers Michele De Lucchi and Giancarlo Fassina, was first introduced by Artemide in 1987 and quickly became the most successful and recognizable task light in the world.

Featuring the same signature design and aesthetic that has become the Tolomeo trademark, the LED Tolomeo offers light output and energy efficiency vastly superior to current-generation LED lights. And it's available exclusively to the U.S. contract market through Humanscale.

# The Tolomeo LED Advantage

One of the few task lights to effectively harness the potential of LED technology, the Tolomeo LED task light consumes just 10 watts of power while producing a light output equivalent to 75 watts of incandescent lighting.

Most LED task lights today utilize multiple light-emitting diodes arranged in a bar or cluster. These configurations typically produce a small or odd-shaped footprint of light. And the many LEDs cast multiple shadows on the work surface, which can cause eyestrain. But Tolomeo's five LEDs are tightly configured behind a highly effective lens to create a wide footprint of light that casts just one shadow on the work surface for exceptional performance and visual comfort.

# Features & Specifications

Tolomeo is available in two sizes: Classic and Mini.

## Tolomeo Classic

- Maximum reach: 48"
- Maximum height: 50"
- Working height: 25"

## Tolomeo Mini

- Maximum reach: 38"
- Maximum height: 40"
- Working height: 20"

- Consumes just 10 watts of power
- Handsome, timeless aesthetic
- Mounting options include table base, table clamp, table in-set pivot, and wall mount
- 50,000-hour life span
- Neutral white 3500 K light temperature
- 180° front-to-back head tilt
- 180° shade rotation
- 360° swivel from base
- Finish: Silver with Polished Silver accents
- Replaceable head system
- Constructed of aluminum and stainless steel
- 2-year warranty
