Portable Luminaire/Luminaire Portatif

Diffrient™ Lighting

CONGRATULATIONS ON YOUR NEW HUMANSCALE LAMP. MY GOAL WITH THIS DESIGN WAS TO CREATE A HIGHLY FUNCTIONAL TASK LIGHT THAT TAKES ADVANTAGE OF THE LATEST FLUORESCENT TECHNOLOGY - FOR ITS ENERGY SAVINGS AND COMFORT DURING USE - AND EFFORTLESS ADJUSTABILITY - FOR EASY AND IMMEDIATE POSITIONING - IN A VISUALLY UNCLUTTERED AND HANDSOME DESIGN. I'M GRATIFIED BY THE RESULT AND HOPE THIS LAMP BRINGS COMFORT AND HEALTH TO YOUR WORK.

SINCERELY,
NIELS DIFFRIENT

Task Lighting Placement

A task light should ideally be positioned to the side opposite your writing hand to direct light across what you're viewing. The light should never be directed toward you. Positioning the light in this way will help avoid direct glare, reflected glare, and shadows.

Diffrient Lighting and the Environment

The Diffrient Lighting series was designed for minimal impact on our environment. When used in conjunction with a compact fluorescent bulb, this task light promotes significant energy savings—up to 80% over incandescent bulbs—which can be further supplemented with reduced overhead lighting levels.

In addition, Diffrient Lights contain 90% recycled and recyclable content, and are constructed primarily of aluminum, which boasts a tremendous scrap value and is therefore more likely to be recycled than other, less valuable materials. Whenever possible, Humanscale uses aluminum as its material of choice because it is 100% recycled and recyclable.

Humanscale. Human-kind. Earth-friendly.

Cleaning Instructions

Use a soft cloth to clean or dust the lamp. For heavy dirt or residue, use a soft cloth lightly dampened with soap and water or another mild cleanser. Do not use alcohol, abrasives or harsh solvents.

Important Note

Compact fluorescent bulbs (CFLs) contain a small amount of mercury. Manage in accordance with disposal laws. Visit www.lamprecycle.org for recycling information.

Warranty

The following Warranty is in lieu of all other warranties express or implied, including, but not limited to, the implied warranty of merchantability and fitness for a particular purpose.

Humanscale warrants on the
Diffrient Lighting series:
No Warranty: light bulbs
5 Years: all other parts

This Warranty is applicable to the initial purchaser only and is non-transferable. Humanscale warrants that, at the time of customer's receipt, the product will be in good working order and will be free from defects in material and workmanship. This Warranty does not apply to normal wear and tear, or damage caused by accident, neglect, misuse or improper installation or operation. Humanscale will not be responsible for damage due to service, maintenance,

modifications or tampering by anyone other than a Humanscale-authorized representative.

In the event a product is defective and Humanscale receives written notice of the defect within the Warranty period, Humanscale, at its option, will either repair or replace the defective product. This Warranty does not cover damage caused by a carrier or transportation of the product from one location to another, or alterations made by owner.

Limitation of Liability

In no event will Humanscale be liable to purchasers for any special, collateral, incidental or consequential damages, however caused, whether by Humanscale's negligence or otherwise.

Humanscale is the premier designer and manufacturer of ergonomic products for a more comfortable workplace. Our award-winning solutions—including seating, keyboard supports, monitor arms, task lighting and more—are designed to improve the health, efficiency, and quality of work life.
