

Model 9130

Long-reach Flat Panel LCD Mount

A state-of-the-art addition for the space-challenged office. This pole mount features foldable arms which adjust vertically. Mount one or two flat panel monitors vertically on a single pole.

FEATURES

- ▲ The arm can fold up to fit about 3" of space and extend out 16"
- ▲ Foldable arms are adjustable vertically up and down along the pole
- ▲ Arm joints rotate 360° and the monitor can tilt over 200°
- ▲ Users can position the LCD arm with the touch of a finger
- ▲ Cable management keeps the work surface free of annoying cable clutter
- ▲ Accessory products are available for holding keyboards or laptop computers
- ▲ VESA-monitor compatible - 75mm & 100mm VESA adapters included

Position the LCD arm with the touch of a finger

Folds flat to save space

Arm extends up to 16"

Mount two LCD monitors on a single pole
