## Product Description

The Kensington KeyFolio™ Pro provides a high-performance keyboard optimized for the touch typist. Built-in Bluetooth technology delivers wireless operation and one button set-up. A multi position stand holds your iPad in place while the rotatable frame offers landscape and portrait use. Optimized for travel and in-case use, this lightweight and compact design protects your iPad 2 from wear and scratches. Camera openings allows for front and back camera use. Compatible with iPad® 4th gen, 3rd gen & iPad 2.

## Features

- Tactile keyboard with high-performance keys optimized for touch typist
- Bluetooth® keyboard delivers wireless operation and one-touch access to iPad media and setting functions such as home button, volume and brightness
- Rotatable frame allows for landscape and portrait iPad viewing
- Secured stand adjust for multiple position iPad viewing
- Compact and lightweight design folds flat for in case use
- Reinforced polyurethane fabric cover protects your iPad
- Easy port access to all controls and connector
- Camera openings allows for front and back camera use
