

NeutralPosture

XSM™
Extra Small

XSM™

Perfectly proportioned to fit petite users, the XSM™ provides big ergonomics in a small chair. High and mid back options, along with a variety of adjustments, allow the petite user to position the chair to their unique preferences. Ergonomists recommend pairing the XSM™ with a Fring® footrest (as seen on front cover) for additional comfort and support for feet and legs.

XSM8300-H4
