

SS560F

Floor Stand

For 32" to 65" Flat Panel Displays

The Peerless-AV SS56-F Floor Stand is designed to provide the ideal display viewing position and match the décor of any environment - boardrooms, training rooms, lobbies, classrooms, auditoriums, or exhibit halls. A full line-up of accessories offers each stand the functionality to be fully tailored to meet specific requirements; whether video conferencing from a boardroom or presenting on a trade show floor. Internal cable management hides the AV cabling, showing a clean, clutter-free look.

FEATURES

- Fits a variety of projection needs with adjustable heights to raise the display to viewing height
- Sleek modern design fits well at any type of an event in any style room
- Provides enough room to add shelves for accessories that accompany the display
- Incremental tilt of -2° , 0° and $+5^{\circ}$ sets to the ideal viewing angle
- VESA® 200, 300, 200 x 300mm compliant
- Supports non-VESA® displays with additional PLP display adapter plates (sold separately)
- Fits 32" to 65" displays in either portrait or landscape
- Includes theft-resistant hardware for attaching the display to the mount

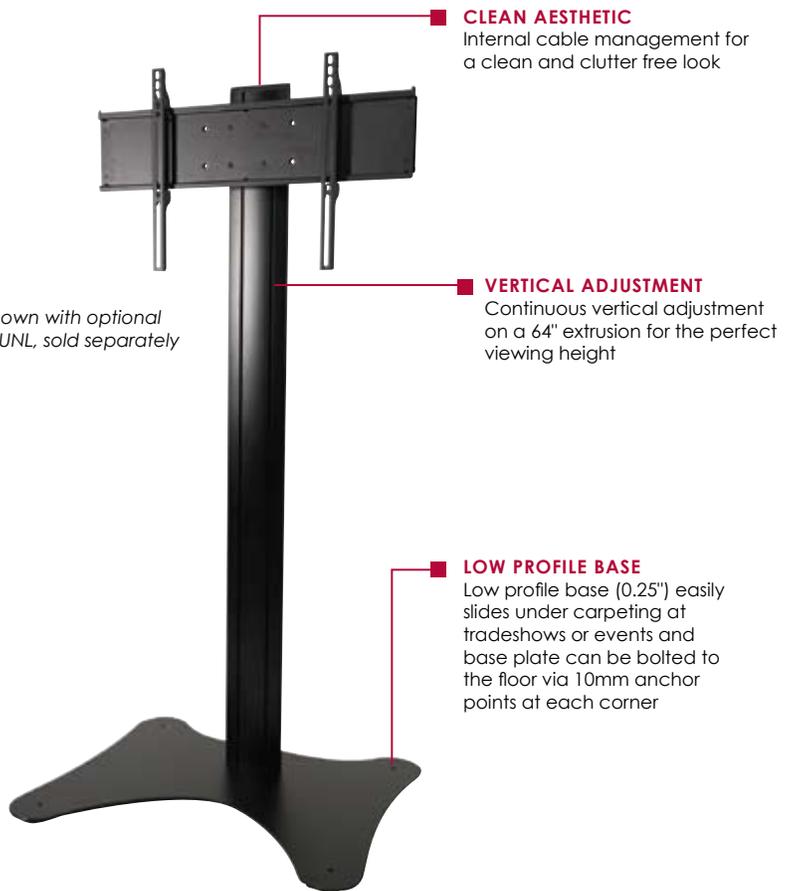

Display size: 32" - 65"

Max load: 150lb (68kg)

Shown with optional PLP-UNL, sold separately

CLEAN AESTHETIC
Internal cable management for a clean and clutter free look

VERTICAL ADJUSTMENT
Continuous vertical adjustment on a 64" extrusion for the perfect viewing height

LOW PROFILE BASE
Low profile base (0.25") easily slides under carpeting at tradeshow or events and base plate can be bolted to the floor via 10mm anchor points at each corner

Internal cable management

RoHS
2002/95/EC
