DS-VW765-POR

Full-Service Portrait Video Wall Mount
For 42"* to 65" Displays

Video walls should be easy to configure, quick to install, and a snap to maintain. No, it's not a dream, it's the DS-VW765-POR Full-Service Video Wall Mount from Peerless-AV. Create any configuration imaginable, but leave the tedious calculations to the custom wall plate spacers. Just install the first mount. Then use the custom wall plate spacers to perfectly place each additional mount on the wall. No measuring, no guessing, no mistakes. It couldn't be simpler. The innovative design combined with a mount that is ready-to-install right out of the box makes this the fastest installing video wall system ever. Now in a design that is 20% lighter than previous models and loaded with time saving features like no-tool-required micro-adjustments and easy-access to any display for quick serviceability it's the ultimate video wall mounting solution.

* 22" minimum display height

TV size: 42"*-65"   Max load: 125lb (57kg)

FEATURES

- Modular mount for unlimited video wall display configurations

- Custom wall plate spacers eliminate the guesswork and on-site installation calculations

- Tool-less micro-adjustments at 8 points seamlessly align the displays

- Displays click securely into place against the wall with spring-loaded mechanism

- Displays and mounts sit flush against the wall for a clean side appearance

- Pull-out/prop-open mechanism provides quick service access

- Integrated cable management tie-backs make display-to-display cabling simple

- Included security hardware prevents the mount from extending out from the wall

- Adjustable VESA® mounting hole patterns in 100mm increments, starting at 200 x 200mm up to 400 x 600mm, additional patterns supported with adapter plates
