Wireless Mini Trackball Keyboard

The stylish and lightweight Adesso Wireless Mini Trackball Keyboard offers you mobility, comfort and makes navigating your computer simple, at any angle. This keyboard provides up to 30 feet of wireless freedom combined with cursor control options. The built-in laser sensor trackball provides 800 DPI resolution, offering great accuracy with minimal hand movement. This keyboard also includes left and right mouse buttons and a scroll wheel, eliminating the need of a mouse. There are also Internet and Multimedia Hot Keys for quick access to some of your most common tasks such as accessing e-mail, volume control and launching your web browser.

■ 2.4 GHz Radio Frequency Wireless Technology

This keyboard includes 2.4 GHz RF wireless technology and 65536 IDs on 12 channels, so you can enjoy 30 feet of wireless freedom with a strong wireless connection.

■ Built-In Laser Sensor Trackball, Scroll Wheel & Mouse Buttons

This keyboard features an integrated laser sensor trackball, scroll wheel, and left and right mouse buttons to give you full cursor control and eliminate the need of a mouse. The laser sensor trackball offers 800 DPI resolution, providing superior accuracy and smooth motion with minimal hand movement and no maintenance.

■ Multimedia and Internet Hot Keys

Control your multimedia tools with one-touch using the built-in Multimedia Hot Keys. You can also navigate the Internet and access your email with the built-in Internet Hot Keys.

■ Slim, Quiet and Fast Keys

The slim scissor-switch keys are designed to offer a quieter typing experience and faster key response. The slim key design makes keyboard slimmer and more light weight for travel.
