

PRG Series Adjustable Projector Ceiling/Wall Mount Kit

NEW!

Peerless has packaged flexibility and ease together in one box with these ceiling/wall mounting kits, which enable the installation of a projector from either the ceiling or the wall. This all-in-one kit includes the industry's first precision gear projector mount that delivers precision image alignment with a simple turn of a knob. These comprehensive projector mounting kits also include an adjustable length column that provides ideal height positioning for the perfect projector installation. Concealed within the column is a cable-management channel, assuring a clean and clutter-free appearance.
