

## Flat Panel Stand

For 50" to 71" Flat Panel Screens

### NEW!

FPZ-670 is the only stand on the market that is designed to support up to two 50" to 71" screens back-to-back. It is one of the sharpest looking, most robust and functional stands ever. It is complemented by its sturdy base that provides plenty of concealed room for content drivers and surge protectors. Its internal cable management system conceals cables and cords, delivering a clean look for any application.

Two screens back to back,  
landscape orientation
