

Jumbo[®] Height Adjustable and Wide Body Carts

The height adjustable and wide body carts provide convenience and functionality for anywhere equipment needs to be mobile. The height adjustable carts are ideal for smaller monitors or LCD projectors. The wide body carts provide extra stability making them ideal for use in schools, libraries and media centers. Both styles are available with or without an electrical strip for added convenience.

- Easy to assemble, knockdown style saves shipping costs
- Silent ball bearing casters for ease of movement
- Multiple shelves provide extra storage
- Several sizes available
