

## Adjustable Height Video Cart for up to 20" TVs

**NEW!**

This Adjustable Height Video Cart is easy to assemble and move with its ergonomically designed, easy to grip handle. Its height adjustment option and a locking cabinet makes this cart ideal for use and transportation of audiovisual equipment for various high-traffic applications. The built-in, recessed three outlet electrical strip with cord management wrap provides this cart with greater maneuverability. Constructed from injection molded thermoplastic, this cart will not chip, warp, rust, crack or peel. Its silent roll casters easily and quietly roll over various surfaces. This Adjustable Height Video Cart is ideal for use in schools, libraries, media centers, hotels and offices.

- Easy to assemble
- Adjustable height from 24", 34", 42"
- Includes locking cabinet with two keys
- Included electrical strip with cord management wrap
- Lifetime Warranty
