

Universal Desktop Swivel Mount

NEW!

The Universal Desktop Swivel Mount is designed for convenient viewing from any angle in the room. The mount may be attached to desktops, cabinets, or the surface of any furniture capable of carrying a static load equal to four times the combined weight of monitor and mount. The swivel base is designed with smooth ball-bearing action for easy adjustment and can be restricted if desired to prevent excess movement from users. All models feature theft deterrent security fasteners and offer one-piece design for fast, simple installation.

- One piece design ensures fast, simple installation
- Swivel can be 360° or restricted to 30°, 60° or 90°
- Theft resistant security fasteners secure screen to the mount
