SmartMount®

Articulating Wall Arm
For 32" to 50" LCD and Plasma Flat Panel Screens

NEW!

The new SmartMount® 700 Series Articulating Arms are more than just another pretty mount. With a full 1" of internal cable management and color-coded electrical and A/V component knock-outs, the new SA750 models provide the most cable management in the industry for a truly clean installation. Its double stud, single arm design allows for up to 10.75" of horizontal adjustment for perfect screen placement. The SA750 models are UL-listed to hold up to 4 times the stated load capacity.

- 10.75" of horizontal adjustability for ideal screen placement

- Arm extends up to 29.8"

- All-metal construction provides strength and clean looks

- Color-coded wall access ports provide optimal electrical access

- U-Groove covers provide 1" clearance per channel for clean and simple cable management

- UL-listed for strength and reliability
