The SmartMount Dedicated line provides screen specific solutions for mounting medium to large sized flat panel screens. Both flat and tilting models are available and compatible with Peerless' comprehensive inventory of screen-specific PLP adapter plates, ensuring a precise fit for almost any plasma or LCD screen. Additionally, installers can choose from either a wall plate for 16" stud centers, perfect for any portrait-style applications, or a more versatile wall plate for 16"-24" stud centers. All models ship pre-assembled for fast and easy installation.

- Fits any PLP adapter plate
- Flat or tilting models available
- Choose from 16" only or 16"-24" stud center wall plate
