## YES20 Charging Wall Cabinet for Tablets

### Highlights

- **Charge and store up to 20 devices.**
- Mix and match all devices with or without cases: regular-sized tablets, mini-sized tablets, maybe even a smartphone or e-Reader.
- Adjust the interior to fit your devices: raise and lower the Lift-N-Set Shelves and remove/adjust the Pop-N-Go Bay Dividers to create the right bay size.
- Wall-mounted Cabinet saves space in crowded classrooms.
- Devices stay secure with keyed locks on each door, complete with brackets for your own padlock.
- A cable comb at the back of the cabinet helps feed cords into the side IT area and keep them tidy.
- Separate locking IT area protects power adapters.

**Ergotron says “YES!” to all your devices — charge and store any mix of up to 20 Tablet devices, with or without cases.**

With YES Cabinets, one size fits all tablet devices of ALL shapes and sizes! Set the Cabinet's bay width and shelf height for your device, then reconfigure when it's time for new devices. Mix and match all devices: regular-sized tablets, mini-sized tablets, maybe even a smartphone or e-Reader! The YES Cabinet truly is the last cabinet you'll ever buy.

Attach Cabinet to your wall or set it on a countertop and save valuable floor space.

Each **Lift-N-Set Shelf** can be repositioned to create larger or smaller vertical spaces to fit your devices.

**Pop-N-Go Bay Dividers** are made of tough ABS polymer and can be moved to create the perfect bay width for your devices.

Mix and match devices — the interior is yours to configure.

## YES20 Charging Wall Cabinet for Tablets

A cable comb at the back of the Cabinet helps feed cords into the side IT area and keep them tidy.

IT area provides 21 power receptacles and can be locked to prevent theft and tampering.

Low-profile handle is easy to grip.

Integrated keyed locks have brackets for your own padlock.

A cutout in the corner of the IT area protects your powerstrip.

Doors, side panels and interior panels are ventilated so that devices stay cool.

Save valuable floor space by attaching Cabinet to your wall or setting it on a countertop. Installation hardware is included.

We say "YES!" to all your devices

Tablets • Smartphones • e-Readers
