

Model 7000-T

Height-Adjustable Laptop Arm

Discover a new way of interfacing with your notebook computer... the 7000-T Laptop Arm suspends your portable above the desk where it can be instantly repositioned for comfortable viewing. Combine with a wireless keyboard and mouse to create an ergonomic docking station for your computer.

It's an ideal solution for workers on the move. Improve productivity while working at your primary desk, then simply grab the computer and go when it's time to leave.

FEATURES

- ▲ Adjustable laptop bracket accommodates laptops of any size
