

9120

The 9120-FM dual monitor mount displays two flat panel monitors side-by-side on independent articulating monitor arms from one point on the desk. Save space and adjust each monitor arm for ergonomic comfort.

FEATURES

- Able to adjust each monitor independently.
- The dual monitor mount includes FLEXmount® with six mounting options.
- Friction control system provides smooth adjustment while adjusting the position of the dual monitor arms.
- VESA monitor stand compatible – 75mm & 100mm VESA adapters included. Please call for non-VESA options.
- Optional upgrade to quick install/release monitor mount bracket; please consult your sales rep for details.
- Includes at 14" standard pole mount; custom pole mount lengths are also available.
- Space saving monitor desk mount design allows approximately 3" of space behind the dual monitors.
- The 9120-FM Dual Monitor Mount can be combined with all Innovative mounting options (sold separately).
