

LET'S GET TOGETHER.

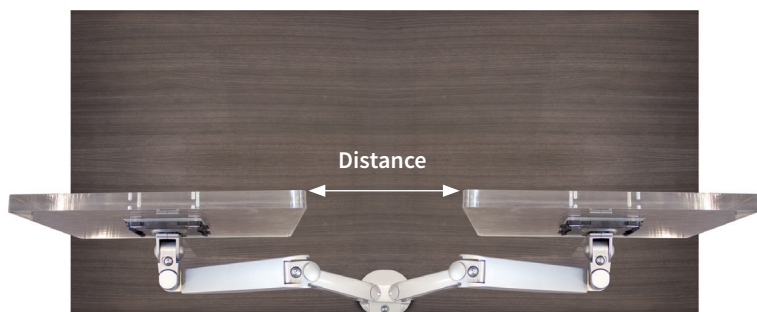

Workrite
ergonomics®

But at ARMS LENGTH

For more info, contact us at workriteergo.com or 800.959.9675

Slider allows monitors to slide back and together at the proper ergonomic distance.

No Slider

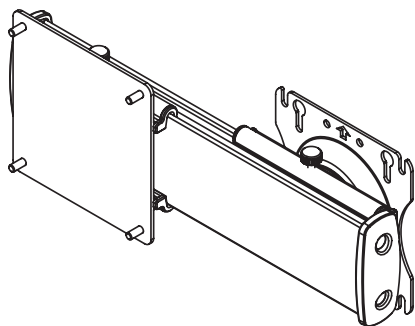

With Slider

FINALLY! PUT YOUR MONITORS TOGETHER AT THE RIGHT DISTANCE.

Conform Accessories

Slider

- Adds 6.5" horizontal adjustability in Conform multi-monitor configurations
- Allows monitors of varying sizes to fit together seamlessly on one base
- VESA 100 mm interface
- Weight must be added to monitor weight to determine arm capacity
- Available in silver
