

ArcView™

Flat Panel Mounting System

Model 9177

Flexible Height Applications

Introducing the perfect mounting platform for multiple monitors. Arrange two to three monitors, consuming minimal desk space. The monitors float weightlessly on the arm – simply move to the desired position. Numerous mounting options available.

FEATURES

- ▲ Vertical range of 18"
- ▲ Extends up to 27"
- ▲ Includes cable management
- ▲ FLEXmount™ included for six mounting options
- ▲ VESA® 75mm and 100mm adapter plates included

Model 9169

Fixed Height Applications

For significant space savings, combine the ArcView™ with the Innovative EURO pole system. Adjust monitor height in 1" increments. Attach to desk, or hang from slatwall to free up desk space.

FEATURES

- ▲ Suspends two to eight monitors
- ▲ Includes cable management
- ▲ Quick and simple set-up
- ▲ Tilt and pivot each monitor independently
- ▲ VESA® 75mm and 100mm adapter plates included
