-------------------------------------	---	--	---

Required, sold separately

Essentia Frame Set

Tools required

4 mm Allen Wrench
(included with Essentia Frame Set)

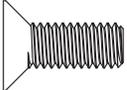

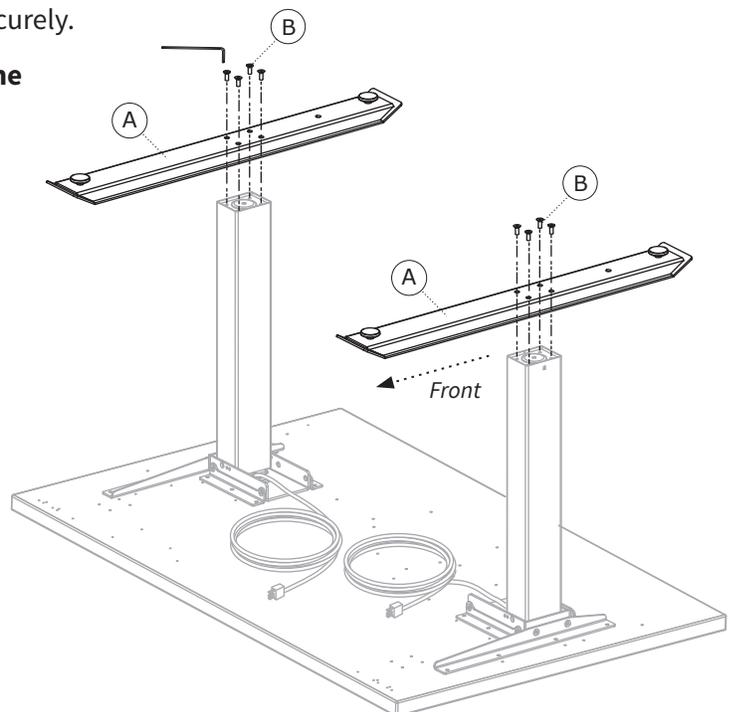

1 Attach Feet, 2-Leg Workcenters

Attach Feet (A) to bottom of legs with Flat Head Cap Screws (B), using 4 mm Allen Wrench and tighten securely.

Be sure the longer end of the foot goes towards the front of the workcenter.

Hardware at actual size

B #M6 × 16 mm Flat Head Cap Screw	
	

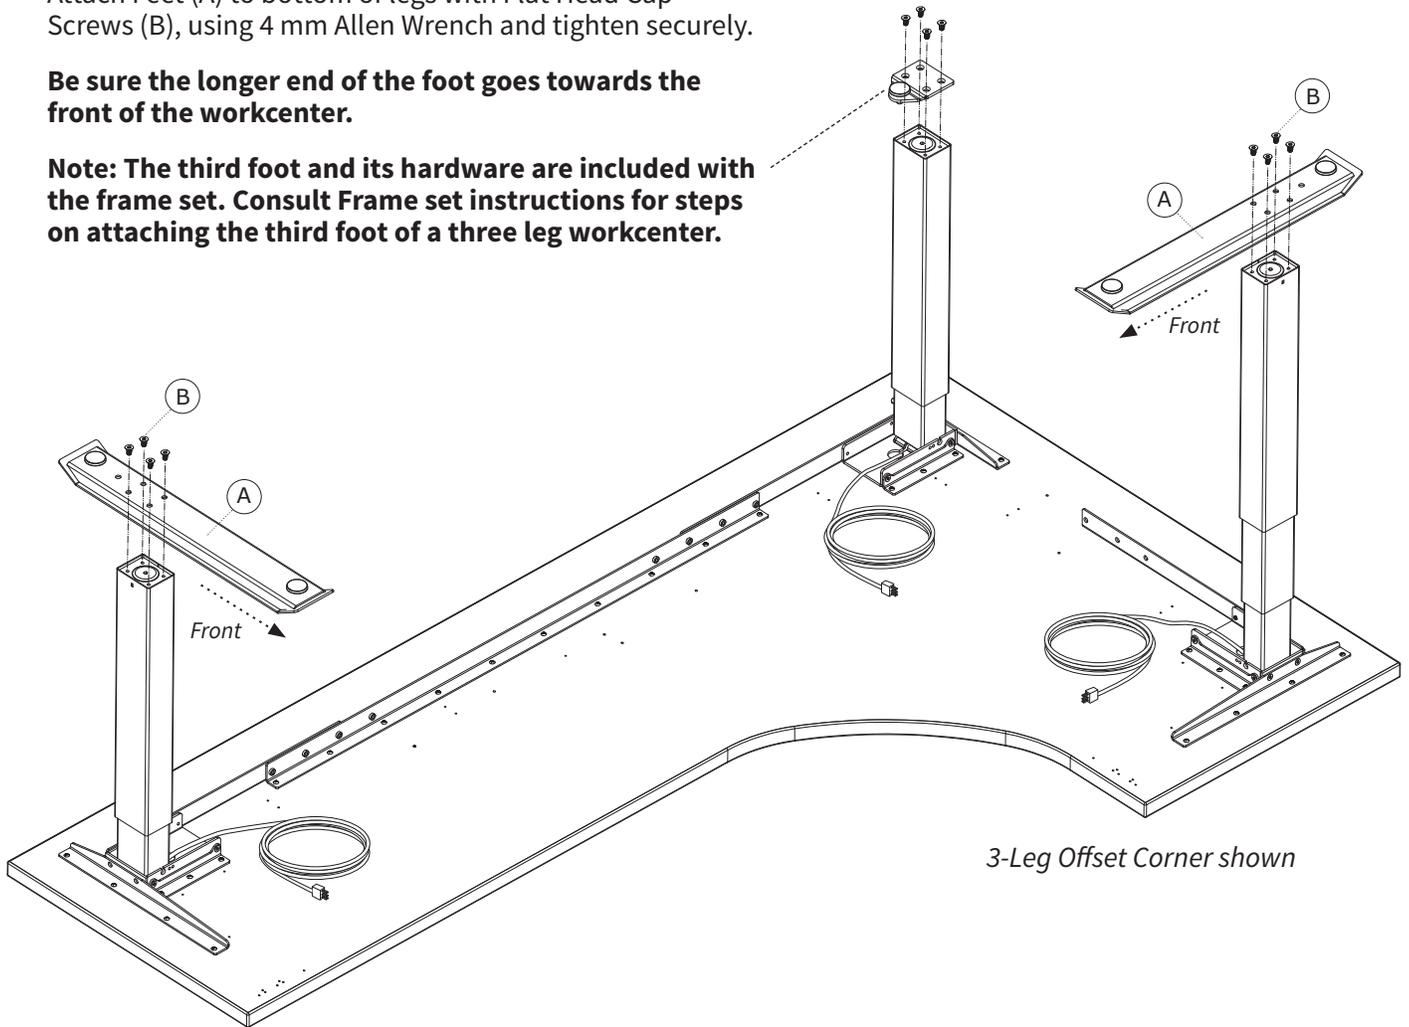

1 Attach Feet, 3-Leg Workcenters

Attach Feet (A) to bottom of legs with Flat Head Cap Screws (B), using 4 mm Allen Wrench and tighten securely.

Be sure the longer end of the foot goes towards the front of the workcenter.

Note: The third foot and its hardware are included with the frame set. Consult Frame set instructions for steps on attaching the third foot of a three leg workcenter.
