

■ Product Overview

The Adesso[®] WKB -4500UB - 2.4GHz Wireless 3D Ergonomic Touchpad Keyboard offers you four (4) split key zones and a gently sloped 3D form factor that encourages natural position of hands, wrists, and forearm in maximum comfort for extended use. The onboard RF wireless gives you a freedom range of up to 30' feet. The keyboard also features an integrated touchpad which takes the place of your mouse, along with 20 hotkeys making it easier to control the movement of the cursor, as well as shortcuts to maximize your control of your personal computer!

■ 2.4 GHz RF Wireless Technology

No matter what you are doing on the computer, you can now enjoy working at any angle and at a distance of up to 30 feet and have minimal interruptions with 65,000 auto switching IDs over 12 channels.

■ 3D Ergonomic Touchpad Keyboard

The ergonomic design offers you four (4) split key zones and a gently sloped 3D form factor that encourages natural position of hands, wrists, and forearm in maximum comfort for extended use.

■ Built -in Touchpad

The keyboard also features an integrated built-in touchpad which can take the place of your mouse, making it easier to control the movement of the cursor in your personal computer.

■ Internet, Multimedia, Power and Desktop Hotkeys

Control all aspects of your user experience with on-touch using the built-in Internet, Multimedia, Power and Desktop Hotkeys. Quickly complete your tasks swiftly with 13 Windows Keys that let you quickly navigate your files and the web while taking full control of your multimedia entertainment with 7 Multimedia hotkeys[®].
