PROTECTIVE COUNTERTOP SCREEN

ERGO  
TECH™

# FLEX-SHIELD

This lightweight, freestanding solution will help maintain a physical barrier during person to person interaction. It allows you to safeguard your employees while still allowing face to face viewing with the clear polycarbonate construction.

Featuring the **SHIELD-2430-WHT**, the flex-shield provides safe face to face interaction that can easily be moved around to fit your needs.

## FEATURES

- **Toolless:** Quick, tool free installation
- **Mounting:** Freestanding structure, no damage to counters on installation
- **Durability:** Constructed of polycarbonate: 250 times stronger than glass and virtually indestructible
- **Window:** 12" wide x 3.5" tall cut out serves as a pass through window for transactions
- **Add-on:** Extended wing attachments available with an additional cost (SHIELD-WINGS)
- **Customization:** Custom sizes available upon request

Need additional protection? The add-on accessory, **SHIELD-WINGS** provides additional protection. Flexible extruded hinges with adhesive allows you to configure panels at any angle.
