CONFORM TRIPLE STATIC ARM

ENHANCED PERFORMANCE THROUGH ERGONOMIC COMFORT

The Conform Triple Static Arm is designed to provide side-by-side support for three monitors in a compact footprint. As part of the Conform family it uses the Workrite pin connection system, allowing it to be quickly mounted to a variety of bases and reconfigured with additional Conform monitor arms to adapt to your changing needs. Easily create a six monitor array by using a 28" pole mount and two Conform Triple, Static Arms. The Conform Triple, Static Arm has been engineered to support over 15,000 cycles and exceeds ANSI/BIFMA X5.5 requirements. TAA Compliant.

Single pole mount adaptor with interchangeable pin system ensures future adaptability

*Dual pole mount adaptor with interchangeable pin system ensures future adaptability*

CONFORM TRIPLE STATIC ARM

Products listed on this page are available through GSA Contract GS-28F-0030S SIN #711-2 (Schedule 71).
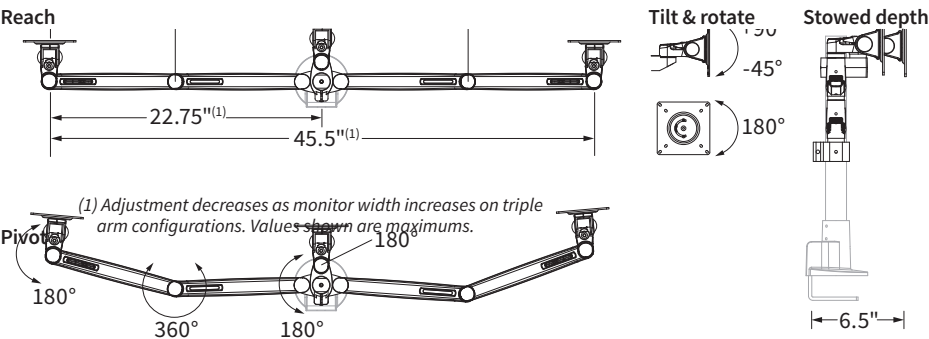

GSA

Benefits:

- Enhance performance through ergonomic comfort
- Rigid support for monitors from 0–16 lb. each
- Expandable, interchangeable components ensure future adaptability
- Designed for fast, easy installation
- Easily route and conceal cables through the integrated wire managers
- Compact footprint allows users to maximize their desk space
- Discrete silver color and design blends into office environments

Triple, Static Arm with 14" Pole Base

Arm
- Supports three monitors 0–16 lb each
- Maximum monitor height: Pole dependent
- Articulation range: 0" (static arm)
- Forward reach: 6.5" with 22" wide monitor [1]
- Stowed depth: 6.5"
- Monitor :
  - Tilt: +90°/-45°
  - Pivot: +/-90°
  - Rotation: +/-90°
- Standard VESA (75 mm & 100 mm)
- Warranty: 10 year

Base
- Convenient top adjusting C-clamp design
- Includes both C-clamp & grommet mounting hardware
- 14" pole length
- Supports 1–3 monitors up to 48 lb
