## A SIT-TO-STAND MONITOR ARM WITH ENOUGH REACH ACCOMMODATE 100% OF STANDING MEN AND WOMEN

- True Sit to Stand arm exceeds ANSI/BIFMA x5.5 recommendations.
- Mounted on the heavy duty 14" pole and with 20" height adjustment range, you can position and adjust the monitor high enough to accommodate 100% of standing men and women.
- TAA compliant.
- As with the entire Conform series, it's expandable and future proof due to the pin-pole system.

### Benefits:

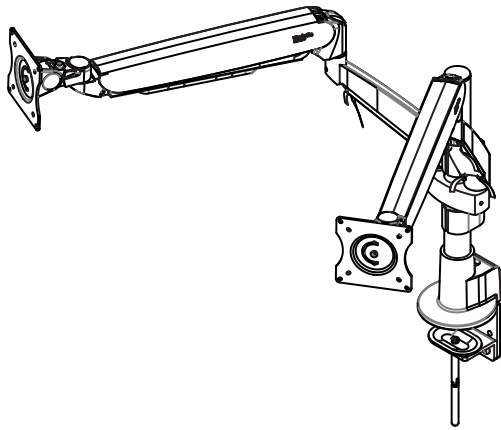

- Multiplies applications, with its longer forward reach and height adjustment.
- Smooth lifting, maintenance-free gas spring (supports 5-17lbs).
- Expandable, interchangeable components for future adaptability.
- Fast, easy installation.
- Easily route and conceal cables through the integrated wire managers.
