

HILO

HEIGHT ADJUSTABLE DESK

HILO is a beautifully designed, high-quality height adjustable table featuring design principles of simplicity and functionality. The HILO desk allows you to effortlessly sit or stand at the push of a button.

FEATURES

- **Adjustability:** Adjust the crossbar to fit your desired worksurface size.
- **Stability:** T-feet provide a stable base to support a heavy weight load.
- **Ease Of Use:** The digital switch provides effortless height adjustment with 3 position programmable memory.
- **Safety:** Anti-Collision detection when desk is obstructed while lowering or raising
- **Certified ANSI / BIFMA, manufactured with UL listed components**
