

ergotron®

Wall Plate

1x

NOTE: The Wall Mount Bracket is not shipped with mounting hardware. The building engineer must determine the proper attachment method.

WARNING: The Ergotron Wall Mount Bracket must be securely attached to your wall. Because wall construction varies widely and your ultimate mounting method is out of Ergotron's control, it is imperative that you consult with appropriate local engineering, architectural, or construction personnel to ensure that the Wall Mount Bracket is mounted properly to handle applied loads.
