*moving you forward*

## **Zido<sup>®</sup>** **Medical Equipment Carts**

- Personalized fit: Find a comfortable height sitting or standing
- Easy adjustment: Squeeze the lever to move the worksurface height between 30" and 40" (76–102 cm)
- Comfortable handle: The 17"-wide (43 cm) handle makes it easy to steer between rooms
- Durable design: Heavy cast-metal base provides a stable foundation as you move
- Compact footprint: Cart fits easily in tight spaces like a patient's bedside
- Broad accessory portfolio: Easily customizable for each application

### CUSTOMIZABLE AND AFFORDABLE CARTS TO FIT YOUR WORKFLOWS

The affordable Zido Medical Equipment Carts move technology, supplies and more wherever you need them on one, sturdy frame. The compact design fits in tight spaces like patient bed sides with an intuitive handle and heavy-duty casters that support easy movement between rooms or floors. Choose from a wide variety of accessories to customize the modular architecture to fit your workflows now and in the future.
