The Adesso iMouse X5 RGB Color 7-Button Illuminated Gaming Mouse provides many impressive features. Different color illuminations further allow you to game or work in dark environments and add a fashionable and cool look to the mouse itself. The optical sensor also ensures pinpointing tracking for the best gaming performance. Lastly, the palm-grip ergonomic design provides comfort during long usage periods.

■ Adjustable Weight

The adjustable weight system allow user to insert US Quarters to the weight compartment to tailor to their most comfortable level.

■ RGB Chromatic Lighting

The full RGB multi-color LED backlight allows for users to work or play in dark environments with different lighting colors.

■ Gaming Grade Optical Sensor

The advanced optical sensor offers pinpointing tracking precision for your various computing and gaming activities.

■ 6 Level DPI Switch
 (800/1600/2400/3200/4800/6400 DPI)

The adjustable DPI switch provides control of the mouse with 6 different customized sensitivities (800/1600/2400/3200/4800/6400 DPI). Located conveniently just below the scroll wheel, the DPI adjustment buttons let you quickly adjust cursor speed between the various computer tasks throughout your day.
