

# trademark

your style. your comfort. your health.

**RFM**<sup>®</sup> seating

# comfort is our trademark

The three main back support options – thoracic ridge, kidney support and lumbar support – have been combined to create the Trademark series. This series comes in three back sizes that can be customized with multiple flat and tractor seats sizes to be used as a task, conference, big and tall, multi-shift, or stool chairs. Paired with a matching side chair, the Trademark is designed to support you in any environment.
