# MOUNT-IT!

---

## General Guidelines

- Please read the following instruction carefully and use the product accordingly.
- Retain the manual for future reference.
- Please contact us at [support@mount-it.com](mailto:support@mount-it.com) for additional support, if the product manual does not cover special use cases.

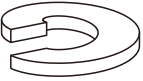

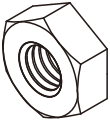

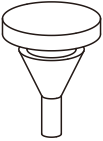

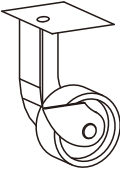

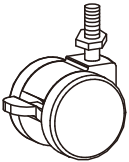

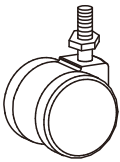

## Notes

- Please assemble the product on a soft and clean surface, don't place the product on the uneven ground with sharp objects to avoid damage.
- It is suggested to assemble the item by two persons.
- Please wipe the cabinet with a soft towel to remove dust or stains, do not use abrasive cleaning tools.
- Don't expose product to direct sunlight or humid environment to keep from aging the product surface.
- The maximum capacity of each drawer is 15 kg (33 lb), please use the product within this range.
- If the product needs to be moved frequently, please inspect the firmness of the casters periodically.

## Warnings

- The product is intended for office or home study use, the seller does not assume any responsibility or liability with respect to any injury caused by use outside of its intended purpose.
- Pay attention to sharp corners during use to avoid personal injury.
- Do not sit or stand on the product. The pedestal cannot be used as a ladder or stool.
- Gently open and close the drawer to avoid pinching fingers.
- Please handle the steel rack for package properly and keep it away from children to avoid personal injury.
