YES36 Adjusta™ Charging Cart

- **Adjustable Rows & Dividers:** Fit up to 36 Chromebooks, Ultrabooks or MacBooks
- **Lightweight Design:** Easily moves with dual-wheel locking casters that take less effort than single-wheel models
- **Customizable Options:** Accessories attach to the pegboard for STEM projects or other uses
- **Compact Footprint:** Save valuable space and effortlessly move in small spaces
- **Fast Charging:** Uses patented PowerShuttle® Technology to support safe and fast charging
- **Fully Assembled:** Just plug it in to start charging—saving you time and hassle
- **Pre-Wired Option:** Improve classroom productivity with pre-wired power adapters

FLEXIBLE CHARGING CARTS FOR THE CLASSROOM AND BEYOND

To educate tomorrow's innovators, schools need the right tools for hands-on learning. With Ergotron's versatile YES36 Adjusta Charging Cart, you can create a flexible STEM workstation or makerspace that quickly and safely charges up to 36 devices. Attach project supplies to the pegboard sides or customize it with the Pegboard Shelf and Pegboard Makerspace Kit accessories. The VESA Mount Whiteboard accessory can also be mounted to the MXV Monitor Arm for more ways to learn or teach. Think beyond the classroom with the optional accessories that fit hospitality, healthcare and other industries. And the cart is UL-certified to keep students, staff and devices safe.
