

Workrite's Metro6 Adjustable Keyboard System features the Pinnacle EX keyboard arm and an exclusive keyboard platform from the studio of well-known Industrial Designer, Mark Müller. The Metro6 features an ultra-thin platform with low profile, soft touch palm support and contemporary styling designed to increase the ergonomic comfort of the user and enhance any working environment. The system also features the Pinnacle EX keyboard arm with lift and lock height adjustment from 2.38" above to 6.5" below the worksurface.

Wrist rest in black.

Wrist rest in ash.
