

SITMATIC®

FORMA™

THE PINNACLE IN ERGONOMIC SEATING.

Studied ergonomic design conforms and relieves the lumbar, thoracic, and cervical spine.

FORMA FEATURES

Absolute Relief

Studied placement of support ridges provide complete relief of the lumbar, thoracic, and the cervical spine.

Intuitive Lumbar Support

Finger tip lever locks where you put it. No other chair adjusts 6".

The Perfect Height

Seat heights for any size individual. Five different seat ranges, between 15" and 34", ensure a perfect fit for everyone at every workstation.

Piriform Shape

Forma's unique shape provides scapular relief by allowing the elbows to sit slightly behind the shoulder blades allow for a more relaxing posture.

Elevated Posture

Multi-layered back foam is topped with a plush layer of memory foam, allowing your body to be held in a natural and well supported posture.

Better Mobility

Oversized, 60 mm casters roll easily through plush carpet. Riveted for life-long durability. The aluminum base is cast as a single piece with no welds to break. A convenient foot perch is built-in to each base prong.

OVERALL DIMENSIONS
