

SITMATIC®

BOSS TASK™

FULL-SCALE, HIGH-PERFORMANCE SEATING.

Designed to be a large-scale, heavy duty ergonomic chair, not just a chair with a wider seat.

BOSS TASK FEATURES

Slouching or Perching

Backrest angle adjustment fine tunes the back support to your personal habits.

PressureCast™ Cushions

Using a special formulation and cast under high pressure, PressureCast™ foam is incredibly resilient for comfort, yet high-density for longevity. This foam is 50% thicker than standard.

Complete Back Support

Thoracic and sacral cradles merge into a gentle lumbar crest.

Neck & Shoulder Relief

4" of height adjustment, 4" of width adjustment and optional rotation and depth adjustment customizes elbow support to your unique size.

Intuitive Lumbar Support

Finger tip lever locks where you put it. No other chair adjusts 6".

Relaxing Motion

Synchronized control that allows your body to open as you recline. Rocking ease and rate of recline are adjusted by easy-turn dial.

The Perfect Height

Seat heights for any size individual. Five different seat heights, ranging between 15" and 35", ensure a perfect fit for everyone at every workstation.

Better Mobility

Oversized, 60 mm casters roll easily through plush carpet. Riveted for life-long durability. Every chair is outfitted with a 28" aluminum base. Cast as a single piece, there are no welds to break.

THE BOSS TASK FAMILY

BIGBOSS TASK

BOS44 SX 1A AN (Shown with optional 1A AN arms)

BigBoss Task starts with enhanced PressureCast™ cushions and reinforced internal structures, it is then equipped with the industry's most powerful components and a warranty that guarantees its quality.

LAW ENFORCEMENT

BOS44 SX BG BE 1A (Shown with custom embroidery)

Beefed-up with a utility belt guard and branded with a custom embroidered badge (or logo), BigBoss Task is ideal for law enforcement.

SUPERIOR SUPPORT

BOS44 SX HR 1A AN (Shown with HR & 1A AN arms)

BigBoss Task was designed to be a large-scale ergonomic chair, not just a chair with a wider seat. A substantial difference you can feel!

BOSS TASK

BOS33 SX 1A AN (Shown with optional 1A AN arms)

Boss Task is a standard-scale but equally robust task chair that is built to shine under the most rigorous conditions.

MULTI-SHIFT / CALL CENTER

BOS33 SX HR 1A (Popular configuration)

The perfect high-usage, multi-shift chair that can adjust to fit and support virtually anyone. No weight or usage restrictions – ever!

EXTREME-DUTY STOOL

BOS44 SX HT BAS30 SR26 1A AN (Popular configuration)

Need a HD stool? BigBoss Task is available in counter-height and bar-height stools. Featuring a huge, 26" diameter, steel standing that is not only easily accessible, it is also indestructible.
