

SITMATIC®

AMICI™

HIGH STYLE, HIGHER VALUE.

The perfect solution for open office and collaborative workspace seating.

AMICI™ FEATURES

Cool Suspension

Breathable suspension material conforms to your body's natural curves. Anti-run technology ensures accidental punctures do not prematurely end the life of your chair.

PressureCast™ Cushions

Using a special formulation and cast under high pressure, PressureCast™ foam is incredibly resilient for comfort, yet high-density for longevity.

Reflex Motion

The automatic body response gently follows your every motion.

The Perfect Height

Five different seat heights, ranging between 16" and 34", ensure a perfect fit for everyone at every workstation.

Better Mobility

Oversized, 60 mm casters roll easily through plush carpet. Riveted for life-long durability. A reinforced nylon base is standard with cast aluminum upgrade optionally available.

TUTTI GLI AMICI™ (ALL THE FRIENDS)

MESH CONFERENCE

AMM22 RM (Shown with 3N arms)

Simply works! The perfect balance of style, comfort and versatility that fits any workspace.

MESH TASK

AMM22 RM (Shown with 6F arms, polished base)

Adjustable task arms turn Amici into a supportive computer chair.

MESH GUEST

AMM22 BF (Shown with 3N arms)

Elegant lines and a robust frame make Amici's guest chair the choice for high-end waiting areas.

TRADITIONAL CONFERENCE

AMU22 RM (Shown with 3P arms, polished base)

Supple seat and backrest cushions finished with traditional taped French seams separate Amici from the pack.

FULLY UPHOLSTERED

AMU22 RM (Shown with BU upholstered outer shell)

Accentuate your space with an, optionally available, upholstered outer backrest shell.

TRADITIONAL GUEST

AMU22 BF (Shown with 3P arms)

The incomparable comfort of the fully upholstered Amici guest impresses your guests before you do.
