

Welcome to comfort 2.0!
We're thrilled to introduce a sleeker version of our signature keyboard, with a few new features to make your computing experience as comfortable as possible.

Please note that the Goldtouch V2 Adjustable Keyboard is available in 2 NEW part numbers:

GTU-0088 is our **NEW PC / Mac keyboard**. With the flip of a switch on the back of the keyboard you can use this model with both PC and Mac Computers. It maintains our easy use Plug and Play technology (connects via a USB port) and is compatible with Windows 7, Vista, XP, 2000 and Mac OS 10.4 and newer. The GTU-0088 also features 6 new feet on the bottom of the keyboard to allow users to: 1. adjust the keyboard for a negative slope comfort position and 2. to easily fit within a keyboard stand.

GTN-0099 is our **NEW PC Keyboard**. It's plug and play technology (that connects with a USB or PS2 port) and is compatible with Windows 7, Vista, XP and 2000. The GTN-0099 only features two feet on the bottom of the keyboard to allow users to position the keyboard in a negative sloping angle for increased comfort.
