

# Microsoft® Natural® Banana-Board®

Adjustable Keyboards - Solo Platforms

Keyboard platform with sliding mouse platform for left or right handed use

### Mouse-Forward™

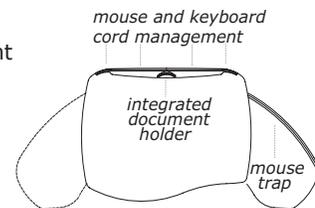

The Banana-Board Platform features a Mouse-Forward design, for easy movement within the primary reach zone.

### Thoughtful Features

All Ultra-Thin platforms have the Optimizer™, an integrated keyboard cord management feature, along with a built-in document holder and mouse cord retainer.

### Durable Platform

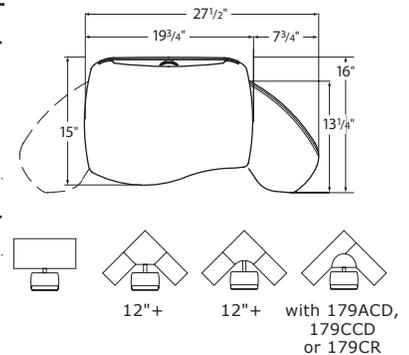

Our ¼" Ultra-Thin phenolic minimizes the distance between the forearm and thigh, providing a greater range of ergonomic fit.

### Features

- Patented design follows contour of Microsoft Natural and Natural Elite keyboards
- Slide-out mouse platform provides MouseForward design
- Available only in UltraThin which features Optimizer document holder cable management system
- Designed specifically for Microsoft® Natural® keyboard
- Fits curved corner over 12", diagonal corner over 12", and 90° corner with adapter

Color	Platform Type	Palm Support	Model #	Weight
