

CARTS & STANDS PFC™ 42 - 71" MOBILE CART

(PAC710 Accessory Shelf not included)

FEATURES

- CENTRIS™ FINGERTIP TILT**
Effortlessly adjust display using Centris fingertip tilt technology. Screen angle stays set until you decide to re-adjust.
- TELESCOPING HEIGHT ADJUSTMENT**
Integrated knob provides tool-less telescoping adjustment from 4 ft. (120 cm) to 6 ft (180 cm).
- CLICKCONNECT™ TECHNOLOGY**
PATENT-PENDING
An audible click confirms flat panels are locked in place. Easy to connect/disconnect - no tools needed!
- PORTRAIT/LANDSCAPE CAPABILITY**
Mounts in either portrait or landscape position.
- CABLE MANAGEMENT**
Flexible covers hide cables for a clean installation.

WHAT YOU NEED TO KNOW
