Ergotron®

WorkFit-B Sit-Stand Base

Sit-stand for wellness and productivity

Convert your cubicle or work area into a height adjustable standing workstation. This sit-stand platform provides all the benefits of our popular WorkFit-D Desk while allowing you to attach your existing worksurface.

Features up to 20 inches (51 cm) of vertical motion—patented CF technology allows instantaneous, tool-free, non-motorized re-positioning while you work! Integrated brake secures table in place and with just a touch releases for height adjustment.

Sit-stand office cube with WorkFit-B LD installation using existing worksurface
